### Supper boxes supplied by local bar and bistro, The Rising Sun

Hitherto, we have not provided refreshments at our balls, allowing participants to bring their own. However, we have received feedback from past balls, which suggests that a number of our guests who travel some distance to the Bath Georgian ball and who attend the afternoon workshop, have found it difficult to organise their own refreshments for the evening. Therefore, we have decided to introduce a supper box scheme through a local bistro. These supper boxes will contain bite-size canapés – some very modern and some with a period feel. Wine and water may be ordered in addition to these boxes. Each supper box serves one person and the food inside will be cold.

Orders will be collected at the ball on Saturday 27<sup>th</sup> March 2010. There is a small handling charge of £2 per order to cover Bath Minuet Company's administrative costs.

There are three options available:
